The South Carolina Office of Regulatory Staff ("ORS") hereby files with the Public Service Commission of South Carolina ("Commission"), pursuant to 26 S.C. Code Ann. Regs. 103-829 and 103-847 (Supp. 2010), this motion to introduce into the formal record of the above-referenced docket the transcript(s) of the hearings held in Docket No. 2010-146-WS to the extent such transcripts are available on the following grounds:

1. Witnesses for Carolina Water Service and ORS reference issues and matters in Docket No. 2010-146-WS in pre-filed testimony filed in Docket No. 2011-47-WS. (See Sparrow Direct at p. 10, lines 10-11; Sasic Direct at p. 16, lines 22-23 and p. 17; p.19; p. 20; and Hipp Direct at p. 7-8).

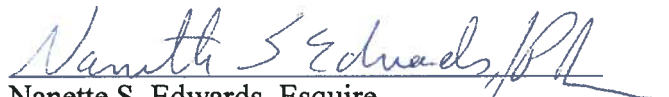

2. One issue in dispute in Docket No. 2011-47-WS is the financial treatment of Project Phoenix (CC&B). It is ORS's contention that during the test year, customers did not receive the full benefit of CC&B because of the billing problems that led to the filing of the Rule to Show Cause Petition. In reaching a decision on the financial treatment of CC&B, ORS seeks

to admit into the record the hearing transcript(s) in Docket No. 2010-146-WS, to the extent available.

3. As of the date of the filing of this Motion, the night hearing transcript is available and posted on the Commission's Docket Management System. To the extent available, ORS also seeks to admit into the formal record of this proceeding the transcript of the hearing held on July 27, 2011 in Docket No. 2010-146-WS.

WHEREFORE, the South Carolina Office of Regulatory Staff respectfully requests that the Commission issue an order admitting into the formal record transcript(s) from the hearings held in Docket No. 2010-146-WS pursuant to 26 S.C. Code Ann. Regs. 103-847 (Supp. 2010) and for such other relief as the Commission may find to be just and proper.
